Currently a student at the University of Washington. Freelance Photographer/Cinematographer and Technology Consultant. Volunteer Section Website Lead for the National Technology Subcommittee for the Order of the Arrow, Boy Scouts of America.

EXPERIENCE

JUL 2020 – PRESENT

NATIONAL SECTION WEBSITE LEAD, ORDER OF THE ARROW, BSA

It is my job to organize, plan, and lead development on our section website hosting platform and other supporting infrastructure.

MAY 2016 – DEC 2019

REGION TECHNOLOGY LEAD, ORDER OF THE ARROW, BSA

I coordinated technology operations for the Western Region. My primary responsibilities were focused on our website, internal databases, internal communication systems, and project management.

EDUCATION

PRESENT

BACHELOR'S DEGREE IN BUSINESS ADMINISTRATION - INFORMATION SYSTEMS,
UNIVERSITY OF WASHINGTON

While my coursework primarily includes business and information technology, I am also taking classes in programming and law. My educational plan after receiving my bachelor's degree is to one day get my master's in business administration and to go to law school and get my Juris Doctor degree.

JUN 2020

DIPLOMA, LYNDEN HIGH SCHOOL

Graduated with Honors. Active in Future Business Leaders of America and placing at both regional and state level competitions.

SKILLS

- IT Project Management
- Ability to Work in A Team
- Complex Problem Solving
- Programming

ACTIVITIES

I have been an active member in the **Boy Scouts of America** for more than 12 years. I was inducted into the scouting's national honor society, the **Order of the Arrow**, in 2013 where I have been active ever since. While active in these organizations I have earned the rank of **Eagle Scout**, the **Vigil Honor**, and the **President's Award in Leadership**. During my tenure I have also had the honor of working on both a local and national level of the organization. My highlights include working as a **National Leadership Seminar** staff member, teaching leadership skills to youth and adult members from around the country and serving on both the regional and national subcommittees for technology. I have also excelled in my educational career, joining the **Phi Theta Kappa** honor society in 2019.
